Dorchester Christmas Cracker

It's that time of year when Dorchester
 lights up with festive cheer

Christmas in Dorchester starts when the lights are switched on at St Peter's Church at 6:30pm so please join us for this year's Dorchester Christmas Cracker. Once again, we will have the Christmas Market in South Street. The Craft Fair will once again be in the Corn Exchange from 4pm giving everyone a chance to find those unusual Christmas gifts and support local businesses. We are very grateful to our main sponsor, Kingston Maurward.

So please make your way into town and enjoy all Dorchester has to offer. A huge thank you to St Peter's, Holy Trinity and United Churches for opening their doors. The shops will stay open later for Christmas shopping and shop staff are encouraged to enter the Christmas spirit by donning fancy dress. The order of the evening will be fun, fun, fun.

When times are not as easy as they might be, we all need something to lift our spirits. The lights will be shining above the streets, Christmas music will fill the air and laughter, the best medicine of all, will be in plentiful supply. It just remains for me to wish you, your families and your friends, a very happy, warm and safe Christmas and a prosperous New Year.

Dorchester Christmas Cracker Night is one of the highlights of the Town's Christmas Festivities

We all look forward to Cracker Night every year. We

have a wide variety of interesting shops, restaurants, cafés and friendly businesses in our Town and many will be staying open to welcome you tonight.

This year more than ever I hope you shop locally and support our local businesses. Why you ask? Quite simply they keep the town vibrant, employ local people and bring money directly in to the local economy. The customer service and

specialist knowledge you will undoubtedly receive is not something you are going to get from shopping online and if like me you are thinking about climate change shopping locally has to make even more sense.

So what are you waiting for? Have a wonderful Cracker Night and lets make this a community event to remember and a happy Christmas to you all!

A very happy and prosperous Christmas from the Dorchester BID

If you were to believe some of the local press over the last year you might think that Dorchester is in decline – Nothing could be further from the truth! Dorchester continues to buck high street trends with on-going inward investment.

Like all high streets in the UK times are tough and the onslaught of on-line competition is relentless, however, look around and pretty much everywhere you go in Dorchester there are visible signs of new development, renovation and revitalisation. This is partly because the town has been recognised by many investors and new business owners to have a successful formula that helps to keep Dorchester a true ‘destination’ town giving both locals and visitors alike many reasons to visit time and time again.

Towns and high streets need to adapt and evolve to offer something that the internet just doesn’t – Personal service, professional advice and a hands-on human interactive experience. This is not just shopping but also attractions and specialist companies.

The DBID is funded by the businesses in town to run projects nearly all geared to support businesses and make a visit to Dorchester as enjoyable and worthwhile as possible. Other DBID initiatives are helping to keep the town vibrant whatever the economic climate. We are delighted to welcome so many new shops and businesses to town again this year, many of which are independents, keeping our tradition alive of offering shoppers the antidote to the ‘clone town high street’ so often found elsewhere in the UK.

On behalf of all the shops and other businesses in town, we would like to thank you very much for choosing Dorchester when you visit and shop – We know you always have a choice and really appreciate it when you choose your County Town.

Phil Gordon
DBID Project Director

Ministry of Puppets

The Ministry of Puppets will be performing in the front window of Frank Herring & Sons in High West Street at 6pm, 6.45pm and 7.30pm. The puppets are from Dorchester Community Church, where they perform on a regular basis as well as at other events in the town.

As well as the puppet show, the art shop will be having a range of craft demonstrations by members of staff as well as an opportunity to ‘Doodle a Christmas Deccy!’ to take home.

Lights ON!
Fun starts from 4:00pm

The Snow Sisters and a very cheeky snowman will be turning on the lights at 6:30pm outside St Peter's Church in High West Street. They will take to the stage and use special powers to light up Dorchester and be available for photographs afterwards.

To mark the occasion, a lantern parade will set off from outside the skating rink in Brewery Square at 6:00pm led by Town Crier, Alistair Chisholm with children carrying lanterns made by groups from Dorchester Youth & Community Centre and Damers First School. Everyone will be welcome to join the parade, which will join up with Santa's Sleigh and finish at St Peter's Church in time to witness our icy visitors turn on the lights.

The Craft Fair will be in the Corn Exchange from 4pm. Pick up Christmas gifts from a range of hand-made ceramics, jewellery, clothing, toys, home-made items and tasty treats. Hot mulled wine and mince pies will be available from the bar.

Visit Father Christmas in his grotto at Shire Hall from 4.00pm. Treat yourself to mulled wine, hot chocolate, and tasty festive treats in the cafe. Browse the gift shop and find beautiful, quirky and unusual Christmas gifts. Join the New Hardy Players for some traditional Victorian carol singing outside the courthouse.

Dorchester's churches will open their doors from 5pm with mulled wine, mince pies and a festive atmosphere in St Peter's and Cracker night carols in United Church in South Street at 6pm.

Many of Dorchester's shops will stay open for late night shopping and the outdoor market is bigger than ever. Lots of entertainment throughout the evening and get a free Elfie Selfie at the Wessex FM bus, with costumes provided by Alter Ego Fancy Dress.

What a fabulous and fun way to celebrate Christmas in Dorchester!

Lantern Parade

This year's celebration of Christmas in Dorchester will again begin with a lantern parade. support the lantern parade on Cracker night.

The lantern parade will start from Brewery Square at 6pm and follow the route marked on the map in the centre pages. The parade will finish at St Peter's Church in time for switching on the Xmas lights.

Kate Parkman is organising workshops at the Dorchester Youth & Community Centre for Dorchester's young people to create their own lanterns. Edd Moore, Eco-Coordinator and teacher at Damers First School is also working with Years 3 and 4 children to make special Eco-friendly lanterns. Both will

Santa's Sleigh, assisted by the Dorchester Casterbridge Rotary Club, will join up with the parade en route and follow the lanterns to St Peter's Church. The Rotarians will be raising money for local community charities and will be available afterwards for photographs.

With grateful thanks to sponsors: Brewery Square Development Company, Duchy of Cornwall, Dorchester BID and Dorchester Chamber for Business.

*Everyone is welcome to join in the parade – Meet outside, by the ice-skating rink in Brewery Square at 5.45pm.

Skating in the Square

Get into the Christmas Spirit with Dorchester's outdoor skate rink!

Open from Saturday 30th November 2019 until Sunday, 5th January 2020. The rink is a great festive addition to the county town, bringing a delightful, Christmassy atmosphere to the heart of Dorchester.

There will be a special 30% discount off skating on 5th December for Cracker Night. The Lantern Parade will again be starting from Brewery Square, so why not take advantage.

Dorchester Churches

There is something special about a cosy dark evening amidst the shops. Lights shine out of window displays as well as overhead. And sometimes for Christmas Cracker people bring their lanterns to parade around the town centre. Then there is music; perhaps from brass instruments or singing or, inside, all kinds of ensembles. As well as Christmas songs there will be carols, many old and familiar, as well as more contemporary ones. What is it about all this that moves us? What makes this at once familiar and yet always fresh and new?

The story of the birth of Jesus, which gave rise to Christmas celebrations, is about bringing light into dark times. It's there in the carols we sing. What's special for Christians is the love at the heart of the story, offered to the world by the God who created it. That love is always there, yet also seeking to break out into new expressions and to lead us to fresh experiences. As you recognise the familiar this Christmas and celebrate it, I pray you will also be ready to find something new and amazing in it for you and your family.

Twenty years ago this popular Dorchester event was called the ‘Casterbridge Christmas Cracker’ with a nod to the town’s most famous resident (who may well have approved of the alliteration) !

It still serves as an important way for local town centre businesses to say thank you to their many regular customers without whom these challenging times for retail would be made much more difficult.

This year, in particular, we have shown just what can be achieved, in terms of novelty and vibrancy in the town centre, when various organisations, different bodies and committed individuals all work together. I feel sure this year’s Casterbridge Christmas Cracker will demonstrate the value of that goodwill once again.
