

## **Dorchester Chamber for Business Retain Training Initiative**

As part of our Centenary Celebrations, Dorchester Chamber for Business is proud to launch our 'RETAIN' campaign

Part of the 'RETAIN' campaign is aimed at members and or employees up to the age of 26 to drive skills into this age-group and retain great people locally through our Training Initiative.

Our first initiative is to offer match funding for professional external training to upskill or enhance young people's knowledge.

The Chamber will match fund up to **£250** per person for a current member's training costs.

This can be for a specific industry qualification or registered membership or more general upskilling external training, the person to be trained should have been with the company for a min of 6 months.

The process is to send an email to [president@dorchesterchamber.co.uk](mailto:president@dorchesterchamber.co.uk) and a sub-committee will evaluate all requests and approve where the criteria fits.

We have limited funds put aside for this initiative with all requests will be dealt with on receipt.
