Welcome

Dear members,

Welcome to the 2021 edition of the Dorchester Chamber for Business Membership Directory. We all know that 2020/21 has been a very strange time and I don't want to dwell on that, but it's good to see that our membership has continued to grow despite all of the problems faced by people and business. Yes, we did renew all existing members automatically without a fee being charged but we have also grown, with a number of new members over the year. Welcome to you all!

Peter Greenaway, President

We are very much looking forward to seeing members old and new both at the virtual events we are currently running and hopefully before long at some face-to-face events as well. Keep looking on the website for updates on events and advice about when we can start to meet up again.

As always, we are here to help members especially in these difficult times, so please don't hesitate to contact one of our executive team if we can be of assistance at all – we may not be able to help ourselves but hopefully we can point you in the direction of someone who can!

**We wanted to use some of our
advertising space to say 'thank you'...**

I don't think any of us will forget 2020 and the personal and business challenges it brought.

However, these challenges have made us learn a lot; we have learnt adaptability and resilience like never before. We certainly needed to be creative in some of our solutions to the problems we faced. Our new working and living conditions demanded new levels of patience and tolerance. Most importantly, we learned very quickly not to take anything for granted and to show gratitude for what we have, especially in this beautiful part of the country.

As a local business, we are grateful to have such strong local partnerships, so we want to say a big thank you to all who have supported us.

Thank you to all of our loyal customers, to our great local suppliers and, the biggest thank you, to our great team here at Legg and Son. All of the qualities mentioned above are shown in abundance by our whole team; we truly could not have got through the last year without you all.
